

Course Outline

“think
learn?
succeed”

“smart training for clever people”

Building High Performance Teams

1 Day

Every manager dreams of having staff who are inspired and motivated high achievers. You can achieve that dream by using a few simple team-building tools. Find out what transforms a group into a team. Learn to speak with influence and build trust between team members. Handle personality differences and motivate everyone to reach peak performance.

What you'll learn to do in this course

You'll come out of this session with powerful tools for creating the team you desire. We'll bring theory to life and tell you how to succeed. You'll talk through examples and enjoy practical exercises. You'll walk away with practical tips for applying what you learn in real-life situations. At the end of the course, you should be able to:

- Assess how well members of your team are working together
- Intervene to build positive team behaviours and effective team dynamics
- Get individuals working together smoothly
- Involve and inspire the members of your team.

Topics you'll cover

- What is a team?
- The 10 components of team effectiveness
- Creating positive team dynamics
- Overcoming barriers to teamwork
- Getting people to make good decisions

What others have said about the course...

'Informative, well researched, lots of opportunity to practice knowledge acquired'
