Creativity Lab

1 Day

Unleash the power of creative thinking in YOUR team. Solve that problem. Build that strategy. Talk things through and generate new ideas. This dynamic workshop is all about getting unstuck and becoming solution focused. The agenda is created around your team’s current challenges and problems - so you can find brilliant new ways of thinking and behaving.

What you’ll do in this workshop

This is a facilitated session, where the agenda evolves as we work together. We’ll help you identify the key issues you need to address, shift your perspective on old problems, generate new ideas and then create a practical action plan. During the workshop, you’ll:

- Uncover outdated thinking patterns which are holding your team back
- Take a fresh approach to defining your vision or solving old problems
- Use team dialogue techniques to tap into your group’s creativity
- Try out a range of creative thinking tools – so

Topics you’ll cover

Every team is different, so your agenda will be designed to tackle YOUR real life issues. Expect to cover questions such as:

- What’s the problem or challenge you face?
- How are your thoughts and behaviours contributing to that problem?
- What shifts do you need to make?
- How can you make them
